LATIMER DELIVERS MORE

LATIMER
by Clarion Housing Group

Latimer is part of Clarion Housing Group, and is a new kind of housing developer and that means exceeding expectations to 'deliver more'. Latimer is working with communities and councils across the country. Providing tailored solutions to their needs.

Latimer is a placemaker, committed to creating spaces and homes that are amazing to live in and visit, places that appeal to a broad range of people and preferences but always with a strong focus on community and quality.

Bricks and mortar are at the foundation of everything we do. But it's a foundation on which to build more than just homes. The Latimer impact on the land we develop is positive and enhances environments. Our surplus is poured back into communities helping the

Group deliver more. Latimer is pushing the boundaries of expectation. Because affordable shouldn't mean poor-quality. Because aspirational shouldn't mean out of reach. Because accessible shouldn't mean generic. Latimer is delivering more for residents, for communities, for the future.

Latimer doesn't just deliver homes, Latimer delivers social impact.

Latimer delivers more.

THE LOCAL BUZZ

ALTA AT CONSORT PLACE

These days Canary Wharf isn't just a great district to work, it's the perfect place to live. There are wonderful shops, fabulous restaurants, exciting events, sports venues, marinas and water sports centres, even a local park and farm. You'll never run out of things to do.

Whether it's your weekly supermarket shop or an afternoon exploring the fashion boutiques and designer outlets, this is a great part of town for retail therapy. With five shopping centres and hundreds of stores to explore, the choice feels endless. You also have the famous Billingsgate Market on hand with its sparkling displays of fresh fish.

Talking of food, there's a delicious choice of restaurants and bars. Maybe you fancy a mouth-watering Dishoom curry or a Hawksmoor steak, a cocktail with a view across the river or an intriguing, plant-based plate. Whatever you hunger for, it's almost certainly nearby.

Ice skating, go-karts, pop-up ping-pong or riding the waves on a powerful rib, this is a part of town that's all about fun. Being so close to the river, and the waterways of the old docks, you'll have plenty of opportunities to splash out.

You'll find London's largest collection of outdoor public art in Canary Wharf, together with a choice of cinemas, local pop-up theatrical events, comedy and music. There's also a local museum where you can explore the times when this area was home to the largest port in the world.

With its great transport connections, you have the whole capital to enjoy. So where would you like to go today? A trip to Harrods? A West End show? A gallery opening? The changing of the guard? London has it all.

Sports fans will know that Wembley Stadium, Wimbledon, Lords, Twickenham and a choice of Premiership football grounds are all on hand. Music lovers will appreciate that some of the most famous venues in the world are within easy reach, including the world class O2 at Greenwich Peninsula, just a hop across the river from Consort Place.

Fancy dinner in town? Then why not head to Soho? Or Covent Garden? Or Brick Lane? There's every cuisine you could wish for just a short journey away via some of the most diverse travel options London has to offer.

London is a city that never sleeps. There are nightclubs, comedy clubs, basement dives and even the highest cocktail bar in Europe at the top of The Shard, just three stops along the Jubilee from Canary Wharf.

IT'S YOUR MANOR

Almost everything you'll ever need is available within a few minutes of your home. Even when you want something exceptional, like a stroll through a royal park, an afternoon standing astride the meridian or a night at the O2, you won't have far to travel.

GO PLACES.
GET THERE QUICKLY.

Rail, underground, boat or plane, there are so many ways to travel when you live at Consort Place.

Canary Wharf is a short walk away and offers Jubilee Line services to Stratford, London Bridge and the West End, or opt for the new Elizabeth Line which smoothly links you with Paddington and the Thames Valley.

The Docklands Light Railway (DLR) conveniently connects Canary Wharf to the City of London, Stratford and London City Airport, with both South Quay and Heron Quays DLR stations just moments walk from your front door. Though perhaps the most civilized way to travel is to take to the water in a Thames Clipper.

WHY BUY WITH LATIMER?

Latimer is the development arm of Clarion Housing Group, developing private homes in thriving, mixed-use communities.

Clarion Housing Group is the UK's largest provider of affordable housing, with over 125,000 homes and more than 350,000 residents across the country. As part of Clarion Housing Group, Latimer has an unrivalled balance sheet with net assets of over £7bn and a turnover of close to £1bn per annum. For the past 100 years we've been building communities that work for the long term.

The Clarion story started with William Sutton, a 19th century entrepreneur who gifted his entire fortune (£230 million in today's money) to build affordable housing across major cities in the UK. We have been delivering on his legacy ever since. The majority of homes we build will always be for affordable tenures, but building homes for private sale is crucial for our business to develop both mixed sustainable communities and recycling any profits we make from private sales back into building and maintaining more affordable homes.

What sets Latimer apart is our long-term commitment to the people who live in our homes. We don't build and then simply move onto the next site; we create places for families to thrive and all of our work is built on strong financial foundations, meaning we are a dependable partner.

We also want every Latimer community to be socially and environmentally sustainable. That means a consistent commitment to high quality and low carbon properties.

Our model is very different to other developers. We don't have shareholders, so we don't face short term demands to make profit at any cost. Instead, we are driven by our commitment to quality, community and places that succeed.

As a group we have a committed development pipeline of over 16,000 new homes and have ambitions to become a top ten home builder in the UK over the next 5-7 years. If you buy a Latimer home you will be buying into an organisation with more than 100 years of history and an enduring commitment to building communities that succeed.

Whatever the stage of your property-owning journey, we're here for you. Read on to find out how we can help you get the keys to your very own home.

SHARED OWNERSHIP

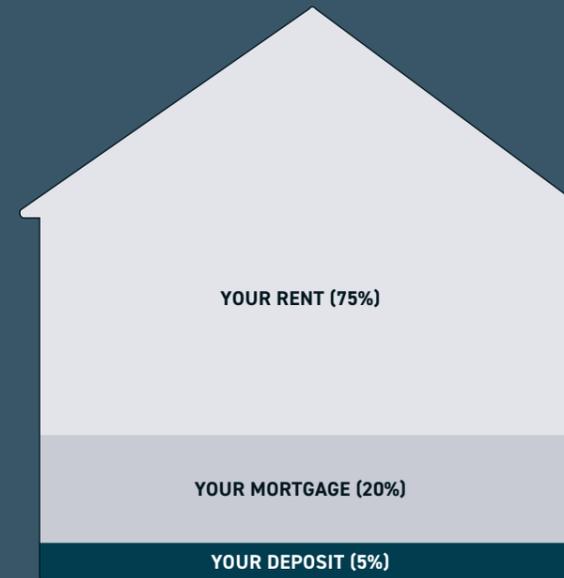

Shared ownership is an excellent way for you to take your first step onto the property ladder and become a homeowner.

With shared ownership, you buy a share of your home – as much as you can afford – starting from as little as 25%, and rising up to 75% of the property's value. You then pay subsidised rent to Latimer on the remaining share of your home. The scheme is sometimes called part buy, part rent.

The deposit required for a shared ownership mortgage is lower than if you were purchasing a property outright. It is usually 5-10% the initial share you are purchasing, rather than on the full value of the property. You only need a mortgage to cover the price of your share. Once you've moved in, you can if you wish begin to buy more shares in your home until you own it outright. This process is known as staircasing. It is a good idea to start thinking about staircasing even before you buy, so you have a plan for owning more of your property.

There's more information on shared ownership in the step by step guide that you can find at latimerhomes.com/buying-with-latimer/shared-ownership

EXAMPLE : PURCHASING 25% OF A PROPERTY VALUED AT £200,000

1 YOUR DEPOSIT

Your 25% share of this property would be worth £50,000, meaning you would need a 5% mortgage deposit of £2,500.

2 YOUR MORTGAGE

A mortgage lender could loan you the remaining £47,500 to make up the full value of your 25% share.

3 YOUR RENT

You will then pay subsidised rent to Latimer on the remaining 75% of the property you don't own.

Am I eligible for shared ownership?

To be eligible for shared ownership you will need to meet certain requirements set by Homes England and the Greater London Authority (GLA). You could be eligible if:

- You are at least 18 years old.
- You cannot afford to buy a home that suits your household's needs on the open market.
- You have savings to cover a mortgage deposit and can obtain a mortgage.
- Your household earns £80,000 or less (£90,000 or less inside London).

If you already own a home and need to move but cannot afford to – or you have equity from a recent sale – please contact us, as there are some circumstances under which you may still be eligible.

In some cases, due to criteria set by local authorities, you may be asked to show a

connection to the local area where you're looking to buy. For instance, you might currently live and/or work there.

Maximum incomes and further eligibility requirements may vary for each scheme.

MAKING A POSITIVE IMPACT

The homes we create at Latimer are homes for life, meaning we deliver more to the communities our homes are part of, and do more to protect the environment they're located in.

Environmental impact

Our projects are future facing, with homes designed and built to keep our residents and the world they live in healthy. From city centres to rural retreats, Latimer developments will always maximise fresh air and green spaces, and protect local wildlife and natural assets. As an intrinsic part of our efforts to minimise environmental impact, we are targeting net zero carbon compatible by 2025 at all developments.

Economic impact

All developers have a legal obligation to the local community, and the planning process considers every development's potential for bringing prosperity and opportunity as well as the nuts and bolts of the build.

At Latimer however, we deliver more than what is required by law. Latimer developments also benefit communities through job generation, green places, fresh faces and vibrant social spaces. Our economic impact starts when we buy the land, and continues far into the future through our customers and the relationships we build.

Social impact

We create spaces that generate social energy. By this we mean that we design high-quality homes and spaces that help foster a sense of community, building a sense of inclusion, safety and happiness. Communities are created in the shared spaces, the green spaces, the open doors and the passing places. When you say hello to your neighbour in the gardens or you share a lift to your floor, these are the moments that generate relationships. At Latimer we spend the same time and energy on creating those spaces as we do on the design, layout and production of our homes.

OUR DEVELOPMENTS

Latimer builds homes for both outright sale and shared ownership throughout the nation, from contemporary apartments to family homes, in locations ranging from rural landscapes to thriving towns and iconic city centres.

The Latimer brand is synonymous with high quality design and a commitment to excellence. This encompasses the locations we choose as well as the beautiful craftsmanship and the materials we use. We partner with architects, designers and contractors who share our values.

Once the homes are built and occupied, our customer service and after care continue to uphold our core values of providing happiness and delivering more.

A WORD FROM OUR CUSTOMERS

Friendship turns into home ownership at Liberty Wharf

Having met in the staff room at work just one year before they decided to buy a first home together, good friends Emma and Rebecca have recently moved into a spacious two bedroom apartment at Liberty Wharf in Alperton.

Emma explains: “It was just before the start of the first lockdown, we got on instantly and quickly realised that it could be a fantastic opportunity to get onto the property ladder.”

Taking matters into their own hands, the two friends, who both work as croupiers in a London casino and were living at home with their families in Kent and Essex, began their search in August 2020.

Rebecca adds: “We had both been saving but didn’t have enough for a deposit on our own and did not want to waste money on rent. Here at Liberty Wharf, we pay less than we would if we were renting in London, even with the bills and service charge. Shared ownership was a great option for us as it was proving impossible to do it alone.”
